

Eager Elephants Newsletter!

Our Learning

This week the children have been planning their own characters and settings ready to write their own version of Charlie and the Chocolate Factory. They have come up with some brilliant ideas.

In Maths we have been using a hundred square to add and subtract two digit numbers. You could ask your child to share what they have learned with you.

In our topic work we have been designing a packet for our healthy wrap. We are hoping to make our wrap design on Friday and then bring our delicious creations home to eat.

Class Story

Your child is coming home tonight with an invitation to come and listen to our class story – Charlie and the Chocolate Factory. We have been learning to retell the story using actions and pictures to help us remember. The children are doing a fantastic job and would love to share their story with you.

On Wednesday 4th October we will open the classroom doors at 3pm. You are invited to come and watch the children perform the story. Please do not worry if you cannot make it due to work or other commitments as we have videoed the story and it will be available for you to watch after school any day or alternatively at parents evening at the end of term. The children are really excited so we hope you can make it.

PPA

A slight change to PPA this week. Miss Matthews will be in class on Friday morning instead of Mrs Stoddart Thursday afternoon.

A huge thank-you for all your hard work and support. Please don't forget to catch a member of the team should you have any concerns.

The Year Two – Mrs Vowles, Mrs Beard and Miss Severn.
