

Beardall Fields Primary & Nursery School

May 4th Newsletter

Monday 7th May	Bank Holiday – School Closed
Tues-Fri next week	Hathersage Residential
Tuesday 15 May	Reception visit to Brackenhurst – packed lunch needed
Wednesday 23 May	Year 4 Time Travel visit to Hucknall Church

Playground

The children are so excited that they will get to use the trim trail next week. I am super impressed with how many children are already trying to do their mile a day by following the footsteps. Please note that the trim trails are not to be used before and after school, please make sure your child follows this rule when they are dropped off/picked up.

Y3/4 Hathersage

The Y3/4 children are off on their residential next week to Hathersage. It is always a really exciting trip for the children, with lots of walking and other activities.

Defibrillator

We are incredibly lucky to have a defibrillator on site, thanks to fundraising donations from the Co-op. Next week we hope to have it fitted in a case on the outside of the building – Kenbrook Road entrance for all the community to use. The case has been purchased by BDW Trading (the builders of the housing estate) and Hucknall Electrical have kindly offered to install it free of charge. Please spread the word that we have this facility; defibrillators really can save lives.

Clubs

When picking children up from curriculum after school clubs (Dance/Maths etc), please pick up from classroom doors only and do not enter the hub which is where the After School Club is. Thank you for your support in this.

Look out for the new Beardall App

Sometime over the next two weeks we will be launching our new 'app'. This will enable you to view newsletters and other information at the touch of a button.

More information to follow.....

Attendance

This week's attendance % and number of absences in each class this week.

RG	RH	1D	1H	2V	2W	3OW	3PB	4	5	6	Whole school
98.52	94.47	95.40	93.38	87.08	97.87	91.50	96.97	95.00	98.15	97.58	95.29
