Y4 Assembly

The whole school had a lovely session this morning watching the Y4 assembly on the 'Rainforest'. All the children and staff have worked incredibly hard to showcase their learning, we hope the Y4 parents love it this afternoon too.

Junior Maths Challenge

On Tuesday some of our children from Y5 and Y6 will take the Junior Maths Challenge. This is a national competition which tests children's problem solving and maths skills. This is the second year of entering the competition and we hope to build on the successes of last year.

Sporting Achievements

Well done to Gethin for achieving his 400m swimming badge, this is an amazing achievement.

Junior Park Run continues to be popular with our younger children, it would be great to see some more KS2 pupils taking part. Well done to those children who took part over the Easter holidays, getting up and out early on a Sunday morning to try to beat their PBs at Titchfield Park and Gedling Country Park.
