

# After School Club Newsletter.

This half term we have introduced our 'Youth room', (named by the children) which has been set up specifically for years 4 / 5 and 6. This room is for the older ones who attend After School Club to relax and play games in their own little area if they wish. We will have age specific board games and puzzles, arts and crafts and themed nights, including team quizzes and spa days. We will also have a homework area set up for them and computers to access.

- The Hall is split into two sections. One half is our arts and crafts table, games and construction and sensory play. We also have a vast amount of dressing up costumes where we can produce talent shows and engage in imaginary play.
- The other half is set up for indoor sport activities which will vary on a day to day basis.
- The children can also free flow from the hall to the ICT Suite where they can access computers / iPads, reading or music.

Please find attached to this newsletter our updated menu. Please let us know if your child has any dietary requirements that we should know about. We do offer sandwiches or toast as an alternative option. We also provide a vegetarian option.

Please continue to sign out your child in our signing out book, which is located opposite the school office next to the double doors.

Please be mindful that After School Club Starts at 3.15 and finishes at 6pm. Late pick ups after 6pm may result in the office charging you a late fee.

If you would like to contact ASC during ASC hours please call our mobile on 07521 372829. Or use the Beardall Fields school app and follow the After School Club link.

Thank you for your support and cooperation. Any queries please come and chat to myself or one of the ASC staff members.

Linda Russell and ASC team.
