Thursday 17 th Jan	Yr 1 Phonics meeting 9 a.m. & 5 p.m.
-------------------------------	--------------------------------------

Welcome back everyone and a Happy New Year!

All children have settled back to school well and working hard and looking really smart.

This term will be as busy as ever so please keep an eye on the website for all that is happening in school.

Phase 2 of the playground has been booked in so we are hoping to have that up and running by half term. This is really exciting and is as a result of the fundraising efforts, so thank you to everyone.

Attendance

Last term we had over a 100 children with 100% attendance for the whole term, this was the best term yet. This term we will begin to reward the children who achieve 100% attendance for the HALF TERM as we realise how disappointed children are when they do well all term and then can't help being poorly in the last week of term.

Safeguarding

We are now displaying signs around school to remind people entering areas where children are, that mobile phones are prohibited. To further safeguard our children, can I please ask that all children **are dropped at classroom doors in the morning and not brought along corridors**. Should your child arrive late then bring to the office where staff will ensure they get to their classroom. If, for any reason you need to access corridors you will be guided by a member of staff. Thank you for your co-operation in this.

Reminder

Children are not allowed to bring mobile phones in to school for any reason. Should you need to pass on a message to your child then feel free to telephone or email the office who will ensure your message is passed on. Again, if you want to check your child has arrived safely, then telephone the office.

Y1 Phonics Meeting

A phonics meeting will take place for Y1 parents on Thursday 17th January at 9am and 5pm. A separate letter has been sent out about this.

After School Club

If you need to contact a member of the After School Club staff during ASC hours, please use ASC phone number: 07521 372829.

This week's attendance % and number of absences in each class this week.
