Happy New Year to you all! Welcome to our new children who have joined us in our Nursery this week, we look forward to working with them.

Building Works

All the classrooms are now finished and it's fantastic having the extra space for group work at the moment. There is still some tarmacking work to complete in the car park, which should be completed soon, then we will begin looking at developing the playground and buying more trim trails etc for the children; this will really complete the school.

Artist Y2

Yesterday, the children in Y2 worked with Hilary Cartmel who is the artist who is working on the public artwork for Papplewick Green, they had a lovely day and it was brilliant to see how creative the children were.

Class Newsletters

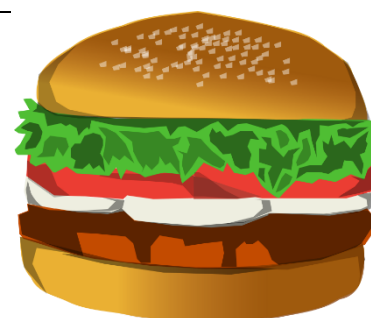

You should all have received class newsletters and homework this week; these will all be on the website by Monday. All children are expected to practise reading at home and fill in their diary. KS2 children receive a stamp which leads to extra playtime for showing that they have read at home. This is monitored in class and parents will receive a text to remind them if their child hasn't done this.

Attendance

Our whole school target is 97%. All children who hit our target last term received their certificates this week. This was 198 children. The challenge is on, can we beat 198 children for the Spring term, the children are certainly up for it.

Burger & Chips Day!

Thursday 18 January will be a special Burger & Chips lunch followed by ice cream. If your child does not usually have school dinners but would like to have this special lunch on Thursday, please pay on ParentPay (for KS2 children) and for KS1 and Reception children, please let the office know. **Please also let the office know if your child requires the vegetarian option.**
