### Jamie Hurt Landscapes

A massive thank you to Jamie Hurt who gave us a morning of his time, providing labour and bark to tidy up the class gardens. Jamie was a pupil at our school many years ago and we are grateful for his support. Some Y2 children have also been busy planting bulbs today, we look forward to spring time!

### Tesco Bags of Help

Thank you to all those who chose to put their green coins in our fundraising box at Tesco. We have been allocated £4000 for our new trim track. This is an incredible amount and we have now arranged to meet with playground equipment suppliers to compare costings. We will work with the children and listen to their ideas for what they want.

### Sports Ambassadors

Well done to Thomas, Deisen and Austin, our Sports Ambassadors, who organised the 'chest pass challenge in 30 seconds' competition for the KS2 children. It was a really close competition. Well done to the winners, Alec and Cole.

### KS2 Reading

Remember to make sure you sign your child's reading diary when they have read at home in order for them to be able to collect their stamps for their extra playtime.

### New Staff

On Monday we will be welcoming Mrs Dear to our office team. Mrs Dear will be working every afternoon.

### Attendance
