### Mother's Day Gifts

We hope you all liked your presents last weekend. This is such a lovely fundraiser for the school; the children love to choose the gifts. We are delighted to say that we raised over £400 – a big thank you to everyone who gave their time to help out last week. All money raised goes towards activities for your children.

### Internet Safety Poster Competition

We have had some fantastic entries for the competition. Well done to the winners: Kadie, Tamsin and Fraya.

### Parents Evening

We had a fabulous turn out for our Parents Evening this week for Reception and KS2. Next Thursday is KS1 Parents Evening. If you have not made an appointment, please see your child's class teacher. If you can't make it on Thursday, there may be an alternative date we can arrange.

### Mathletics & Reading Eggs

It is great to see how many children are now using both programs at home. They are a fun and interactive way to support the learning children do in class. Please let the office know if you have any problems with logging on.

### Magical Maths

Children in Years 1-6 will be bringing home a leaflet about a new 'Magical Maths' club starting in April. Places are limited; if you are interested please log on to [www.magicalmathsclub.com](http://www.magicalmathsclub.com) or call 0115 8712024 to register. The cost is £37 for 6 weeks. All applications must go through to Magical Maths direct – the school cannot take bookings.
