Diary Dates

Thursday 29 March	Break up for Easter
Monday 16 th April	School re-opens

Planetarium

Our children had a fantastic space adventure yesterday when the hall was taken over by a Planetarium. Planets, stars and rockets were really brought to life!

Torkard Ensemble Assembly

The children enjoyed listening to the different types of instruments which were played by this Hucknall community group. They will be back next half term to do a workshop with KS2.

Hagg Farm

Year 5 & 6 have had a good week at Hagg Farm and are on their way back as this is being written. I am sure your children will have lots to tell you!

Mathletics/Reading Eggs

These are a great way of reinforcing what children have learned in school. Please encourage your children to use these over the Easter break. Again, any trouble with log in details contact the office. After you have logged into Mathletics you must click 'Explore New Mathletics'.

Remember – Reading Eggs for KS1 and Reading Eggspress for KS2

Breakfast Club

From Monday 16th April (first day back), the Breakfast Club will be using the hall for their food and all activities.

Please continue to use both entrances for access; a member of staff will collect your child from either door.

Lost Property

We still have a number of coats in lost property. Please call in at the hub and check if your child's coat is there.

Attendance

This term has seen some of our very best weeks attendance wise. We have 145 children who have been in school every day since January!

This week's attendance % and number of absences in each class this week.
