Monday 13 th May – Thursday 16 th	Key Stage 2 SATS
Friday 17 th May	Y5 visit to the Space Centre
Monday 3 rd June	INSET

University of Nottingham

Y5 had a brilliant Science Day at the university on Tuesday. The children were so excited by it. We are very lucky to have these links with the University and it really gives our children the chance to see what life is like at university. The following day I received an email from Dr Tang:

'On behalf of all the scientists and technicians who you met at Tuesday's Science Fair at the University of Nottingham, I want to say a BIG THANK YOU to your school for being such a joy to work with! I heard a lot of comments from all the people running the different activities who said how polite and well-behaved you all were, and that you asked lots of very good questions. We really like it when students show they are interested in what they're seeing and doing! Your excellent behaviour was a credit to your teachers, your school, and your parents, and you should all be very proud of yourselves! Well done Year 5, and I hope you continue to be curious about science! Best wishes, Dr Sam Tang.'

Junior Maths Challenge

Well done to the children who took part in the Junior Maths Challenge after school on Tuesday. It was very challenging indeed, but the children approached it with enthusiasm and commitment. We await the results at the end of May.

Sporting Achievements

Well done to Pru, Ruya, Ayla for their gymnastic certificates, and to Hollie for her first grading in Kick-Boxing. We really do have so many talented children in our school.

Junior Park Run continues to be popular with our younger children, it would be great to see some more KS2 pupils taking part. Well done to Leo, Henry and Abel who took part last Sunday at Titchfield Park.

Parent Governor

We have a vacancy for a Parent Governor. Nomination forms and a letter have been sent out to all parents – check your child's book bag if you haven't seen them or take a look on the website. Closing date for nominations is Tuesday 7th May at 10am.

ASC

A reminder that bookings for the after school club should be done via the office. Please remember if you have booked and your child doesn't attend you will be charged for the session or if you cancel on the day. Late pick-ups will be charged £6.50.

And finally....

If your children like to build (and perhaps secretly so do you!) we have the perfect new group for you. At Watnall Road Baptist Church we will be running a new family Lego group one Saturday afternoon a month beginning on May 18th. 'Creator's Club' will run from 2pm to 3.30 pm. We will have lots of Lego for you and your family to play with. With a mixture of sets to make and free build bags as well as a Duplo corner we hope you will all be able to enjoy a relaxed, fun time creating amazing Lego constructions. Refreshments will be provided. Children must be accompanied by an adult and families with children of any age are welcome. £2 per family.

Please do come along or for more information contact Joanne Mizen, Children and Families worker - joannemizen@gmail.com.
