

# The Eager Elephants' Newsletter

## Our Learning

This week, the children have been writing their own version of Charlie and the Chocolate Factory. They used their plans from last week to create a brand new factory (with a new owner), four new naughty children and they swapped Charlie Bucket for whoever they had planned to include.

In Maths, we have continued to use and apply partitioning 2 digit numbers (such as  $34 + 23$  or  $56 - 21$ ) to add and subtract on a hundred square. We then progressed onto using written methods to find the answers.

In our topic work we have been learning about the importance of exercise.

## Class Story

Thank you to those who came along to watch the children perform Charlie and the Chocolate Factory. If you couldn't make it, we have recorded it for you to watch another time.

The Year Two Team – Mrs Vowles and Mrs Beard.
