

Mrs Vowles' Class: Follow on twitter @BeardallY2a

For an insight into what learning takes place in your child's class, you will be able to follow the class on twitter.

Setting up a twitter account is easy, you do need an email address and you will need to create a username. Just google, 'sign up for twitter' and follow the instructions.

Once that is done, request to follow @BeardallY2a

Only those parents whose username we are given, will be accepted by us, and allowed to follow the class as the setting is private.

A member of staff will send out 'tweets' to share what has been happening in class, which can then prompt you as parents to discuss learning and support your child at home.

Please provide us with the following details so we can allow you to follow your class.

Best wishes,

Katherine Collins
