Nottingham University Visit

We have been very lucky to have the opportunity to work with students from Nottingham University. Today, Y6 are visiting the University campus in Beeston for a 'Sports and Nutrition' day and Y4 and Y5 have had students in as part of the University Outreach Programme, to deliver a PE session called 'Leap to Success'. We will post photos on the website for you to look at.

Artist

Y5 have been working with an artist this week to begin thinking about the design for the public art which will go in public space on Papplewick Green. The artist, Hilary Cartmel, was incredibly impressed with skills of the children and their positive attitude and behaviour. Well done Y5.

Co-op

Today I have been to the Co-op with some children to receive a cheque. We are really grateful for this and for all those who signed up to the Co-op membership scheme and chose to support us.

New Classroom

We have now taken ownership of the new KS1 classroom and group room. We are really happy with the room and look forward to showing the children next week.

Accessing School

From Monday, the main buzzer gate at the top of the path will no longer be in use. To enter the playground you will use the Nursery gate. This will give you access to both Nursery and Reception and the rest of the playground. This will help those with children in Reception and main school.

Please note, if your child arrives after 9am they must enter school through the Kenbrook Road entrance.

Christmas Fair

Please send in your sold raffle tickets as soon as possible. We are also selling tickets to the fair – 50p per adult. Tickets will be sent out next week.
