'Pharmacy First'

Harts Pharmacy in Hucknall are pleased to offer many medicines free to children. You must have the child with you when you claim the items. The products available include remedies for:

- Diarrhoea

- Earache
- Head lice

Sickness Bug

If your child has had the sickness bug which is going around, **please do not send your child back to school until 48** hours after the last bout of sickness. Hopefully by doing this we can try to keep it under control.
