Our New School App

We are no longer sending out paper copies of newsletters.

We would like to request that you download our new school app from your Play or Apple Store. Choose 'OurSchoolsApp' and you will be asked to insert a postcode (NG15 8HY).

Once installed you will have access to lots of school information including:

- ParentPay at the click of a button
- 'Contacts' will enable you to send an email or telephone the school.
- After School Club will enable you to ring the leader to give any information necessary during club hours.
- Newsletters will be added weekly.
- School dates (visit, shows, inset days) will appear on the Calendar button.

Please let us have any feedback (good or bad). It is a new initiative which we hope will prove useful to parents. Please 'spread the word'. We would like grandparents and other relatives to download the app – especially if they are often collecting children from school as any news alerts will be sent to the app to keep you all informed of any important messages.
