

Sports Funding

2017-18

The amount of funding that schools receive has increased this year from £8000 to £14,318 Schools receive this in October and May

The outline for our Sports Funding is as follows:

Action	Impact	Cost
Transport for children to take part in inter schools competitions and football/netball matches	More children accessing more competitions.	£1000
To enable SEND children to access separate swimming lessons – disabled swims	SEND children have more personalised swimming sessions separate to rest of school swimming	£273
To develop staff skills and confidence in delivering dance and gym sessions through working alongside dance and gym coach	Staff are more confident and have developed their teaching in this area.	£3125
To develop the playground to ensure more active play/lunchtimes through purchasing trim trail and other equipment	Children are more active at playtimes and lunchtimes, more climbing and physical skills involving an element of risk	£3000
To provide extra-curricular clubs in football, dance, basketball	Children more skilled and knowledgeable on rules of these games and become part of the teams representing the school in competitions	2 clubs per week for 35 weeks £1750

To develop staff skills in basketball and multi-skills	Staff are more confident and have developed their teaching in this area.	£1125
To achieve Silver Award through B team participation	School to receive the Silver Award	Release time for staff – 1 day - £300
To contribute to Ashfield School Games Organiser	Schools involved with a range of competitive inter-school sports.	£750
To work alongside Active Ashfield to encourage healthier lunches/lifestyles for our children	Healthier lunches and more active children	Release time – supply cover 3 days £600
To participate in the Fundamentals programme in Y4 by Change for Life	Raise awareness of healthy lifestyles	£750
To work in partnership with the University of Nottingham to develop children's aspirations through sport at the university	More children aware of University life and the benefits it brings in health and education	Transport cost - £320
