

Year 3 – September/October Homework

1. Choose which assignments you would like to do.
2. Make sure you have chosen enough to score at least 30 points.
3. **You must choose an activity from each section.**
4. Complete your homework assignments by **Friday 19th October.**
5. Remember to think about presentation.

Homework Assignments		Points Value
Creative		
Draw a map of the British Isles and label it. Label the capital cities too.		10
Make a list of all the places where magnets are used in your house.		10
Create a poster about Hucknall. Include things that attract people to the local area, and state why you think they are attractions.		10
Make a model of a Hucknall landmark or attraction.		10
Draw a character from one of Roald Dahl's books and label it.		10
Design and make your own dream catcher.		10
Visit a local church, mosque or temple. Describe what you see, hear, feel and smell.		10
Using google maps type in your postcode or the school postcode and use the map to answer these questions. 1. Can you see the road where you live? Are there any features on the map such as railway lines, parks or rivers? 3. What other features can you see? 4. How can you tell what the distances are on the map? Print or draw the map. Use a key to label the features		10
English		
Write a story about a friendly ogre. Make sure the story has a beginning, middle and end. Use ambitious adjectives, verbs and adverbs too.		10
Every time you read a new word that you don't understand, look it up in a dictionary (not online), and write its meaning down. See if you can learn 10 new words.		15
Read a new book and write a book review. Book review templates are available for you to use.		15
Write a diary entry about your first day in Year 3. Don't forget to use fronted adverbials.		10
Write a character profile about one of Roald Dahl's characters.		10
Create a fact-file about Dr Martin Luther King.		10
Find as many words as you can that end in the suffix 'ing', and list them.		10
Practice your Year 3 spellings and bring them in to show us how good you're getting.		10
Learn 10 of your year 3 spellings off by heart		15
Read 3 or more age appropriate books on Reading Eggspress		15
Maths		
Use Mathletics to practice some place value work – spend at least 30 minutes doing some maths		10
Practise your 3 and 4 times tables and ask someone to test you – bring it in to show us. Remember to practice your times tables forwards, backwards and in random order.		5 points for each times table
Make your own 100s square and colour-in the times table of your choice.		10
Using the digits 0-9 write as many numbers as you can and then write them using words. <i>See if you can make 4, 5 and 6 digit numbers!</i>		10
Practice your number bonds to 10, then 20, then 100. When you've mastered those, try number bonds to 50. Copy your efforts down and bring them in to show us. Remember, you can use the bar method or part-whole method to help you.		10
