

The Soaring Swallows - Year 4 Homework

1. Choose which assignments you would like to do.
2. Make sure you have chosen enough to score at least 30 points.
3. **You must choose an activity from each section.**
4. Complete your homework assignments by **Friday 13th October**.

Remember you can bring your completed homework assignments in as soon as you have completed them. We are hoping you will enjoy presenting your homework to the rest of the class and sharing all your hard work!

Assignments I have chosen	Homework Assignments	Points Value
	Creative	
	Mosaic Making - Create your own symmetrical Roman mosaic using media of your own choice. Can you be inspired by actual mosaics that have been discovered?	10
*	Roman Empire - Draw a map of the Roman Empire. Label the map with the Roman country names and the current country names.	10
*	Roman Food - Research, design and produce a Roman menu. Can you cook one of the dishes, take photos and write a review?	15
	Catapult Creation - At times, The Romans could be a blood-thirsty lot. Can you design a catapult for their soldiers to use during the invasion of Britain? Make sure you label and explain the features you have drawn.	10
	Create a 'top trumps' information pack about the Roman Gods. This could include details such as: height, strength, personality, intelligence, and beauty.	10
	English	
	A to Z of Romans - Write down a word related to the Romans for each letter of the alphabet. Then select your favourite five words and explain each one in a sentence.	5
*	Dear Diary - Write a diary as if you were a Celt witnessing the Roman invasion of Britain.	10
	Let's get Poetic! - Write an acrostic poem. R U T H L E S S R O M A N S	5
*	Story Time - Write an imaginative story about the life of a child in ancient Rome. How was their life different to ours?	10
	Roman Information Sharing - Create a PowerPoint presentation or short film about the Roman invasion of Britain. What interesting facts could you include that others may not know?	15
	Maths	
	Place Value - Create a poster to help others understand the facts about place value (Th, H, T, O)	5
	Terrific Times Tables - Practise your 6 and 7 times tables and ask someone to test you - bring it in to show us!	10
*	Produce a range of addition calculations using Roman numerals. Eg: XXV + IV + LXII =	10
*	Supermarket Sweep - Visit a supermarket and record the price of 5 special offers as well as the original price of the item. How much would you save with each offer? Can you put the items in order from most expensive to least expensive?	15

* = 'super challenge' activities (marble for each one completed.)
